

## AUDT98 BIOGRAPHY

Being intrigued by the beauty of electronic instruments and club culture, audt98 has found his own place within the Dutch underground as a promising DJ and music producer.

His love for creating has resulted in releases on Berlin label Discos Atónicos and Carista's United Identities.

With dedication to explore his musical expression he has collaborated on various audio-visual projects; and has revisited his island of birth, to research the heritage of Curaçao's traditional musical styles.

audt98's diverse musical upbringing is reflected in his DJ sets which are adventurous and energetic, while gracefully pacing through multiple genres. This has brought him to the dance floors of clubs like De School, Radion and BRET as well as other respected places like HÖR, Wildeburg and DGTL Festival
