

## **BASTIENNE BIOGRAPHY**

Over the past years, Bastienne has been shaping her own sound as a DJ, a process that is characterized by always exploring new inspirations and having fun with different sounds. A true chameleon behind the decks, Bastienne embraces every opportunity to take the dance-floor and club goers on a profound sonic journey.

Whether that's solo for layered techno sets infused with groove and rhythm, or with her friend VUUR for an energetic b2b house set. By submerging herself fully Bastienne carves a unique musical path of her own, that keeps both herself and her audience excited about what's to come.

Bastienne continues to make waves with notable performances at renowned clubs and festivals such as BRET, Radion, WAS, Perron, Wildeburg, Festimi, Awakenings, Intercell and during the ecstatic IsBurning club nights.
